ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The SCPHA has worked hard this year to move into the City of Kirksville to assist people in need there. In 2001 – 2002 we got this opportunity and fully utilized our vouchers. This allowed us to assist more people in our area and provide vouchers to residents who cannot get assistance. We are advertising as much as possible and working to educate the landlords in this area with brochures, fliers and informational packets.

The SCPHA continues to provide adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for very-low income families, persons with disabilities, the elderly and larger families as previous stated.

iii. Annual Plan Table of Contents

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

D. Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- ☐ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☐ Reduce turnover time for vacated public housing units
- ☐ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development

- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☐ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☒ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required. Since housing is so hard to come by in the rural area, if the family feels the house is o.k. for them and the FMR and Rent Reasonable are all right, we will assist family.
- ☒ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration. SCPHA advertises the need for new landlords through ads and uses the local radio station coffee break to explain program.
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☐ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- ☐ Apply for additional section 8 units should they become available
- ☐ Leverage affordable housing resources in the community through the creation of mixed – finance housing
- ☐ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☐ Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

- ☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- ☐ Employ admissions preferences aimed at families with economic hardships
Adopt rent policies to support and encourage work Income changes are not done prior to families first recertification unless income lowers. This encourages them to go to work and maybe stay working.
- ☐ Other: (list below)
See above

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- ☐ Employ admissions preferences aimed at families who are working
- ☒ Adopt rent policies to support and encourage work Same as above.
- ☐ Other: (list below)

Select all that apply

- ☐ Seek designation of public housing for the elderly
- ☐ Apply for special-purpose vouchers targeted to the elderly, should they become available
- ☐ Other: (list below)

Select all that apply

- ☐ Seek designation of public housing for families with disabilities
- ☐ Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- ☐ Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- ☒ Affirmatively market to local non-profit agencies that assist families with disabilities
- ☐ Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- ☐ Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- ☐ Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- ☒ Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- ☐ Market the section 8 program to owners outside of areas of poverty /minority concentrations
- ☐ Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

E. Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

19. Definition of "Substantial Deviation" and Significant Amendment or Modification.

A. Substantial Deviation from the 5-year Plan:

Substantial deviations or significant amendments or modification are defined as discretionary changes in plans or policies of the Scotland County Housing Agency that fundamentally change the

mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

The Scotland County PHA requested of the board to change the way income changes are done during the year 2002. In order to help families get employed and stay employed, the agency will not be doing income changes during the first year of participation. If someone is added to that household during the first year, we will count that income.

Also a deviation from the original plan is the homeownership program. Our agency decided to forego this for the time being. Until it is made a little less complicated and time consuming we will just be providing rental assistance in our areas.

B. Significant Amendment or Modification to the Annual Plan:

In order to help families get employed and stay employed, the agency will not be doing income changes during the first year of participation.
